## Learn about this system

This system showcases an elastic web application AWS infrastructure

To create your own AWS infrastructure diagram:

- Either alter this template or click the bottom blue button to start with a blank canvas.
- Drag and drop the various AWS shapes from the toolbox onto the canvas.
- Search for shape names to find the correct shape faster by clicking on the magnifying glass in top left corner 🔍.

**Pro Tip:** To automatically visualize your cloud architecture, check out Lucidscale.
